

## WHY AM I RUNNING?

After a beautiful year of captaincy, I think now is as good a time as any to take the next step in my WarwickSnow career.

As a regular and passionate attendee of almost every event I can honestly say that I have the experience and knowledge of organising and ensuring that events run smoothly in order to support the future members of exec.

## WHAT CAN I OFFER WARWICKSNOW?

- Continue relations with the exec of other universities that I have got to know through events such as **Kings** and **AfterJAM**
- Work closely with every member of exec over the summer, ensuring everything is in place for yet **ANOTHER SUCCESSFUL YEAR**
- Work with the Tour Sec and always stay 100% **HYPED AND POSITIVE** in order to increase effort in flyering and advertising Tour and other events such as BUDS through the exec (When handing out flyers **YOU** are the **FACE** of the club-first impressions are everything)
- Work closely with the Treasurer to ensure we have enough funds for potential events and to uncover more financial opportunities for the club
- **WE NEED A BIGGER LOCKER FOR OUR SKIS-** Canoe storage is miles better than Titan but now is the time to take the next step and finally sort our storage issues for good- no more post Kings' faff
- I've been in and out of the SU offices more times than I like to admit, so if the exec need help arranging anything I can help appropriately

## WHY VOTE FOR ME?

For someone who only started hitting the slopes just over a year ago, I am 100% committed and dedicated to seeing this club succeed. I want to push for more people to see everything that this club offers as most of our events during term time seem to be overlooked and people just rock up for tour. **BUT THIS IS THE TIME FOR CHANGE**, I plan to show 100% enthusiasm and passion for another year, surrounded by you beautiful people. Sorry for the lack of bant: **PRES=SERIOUS**
