

# FRESHER ALEX 4 SOCIAL SEC

## About Me

I'm a first-year film student (which means I do no work and attend every social ever) that loves socials (come buds). I'm also an amazing skier (6/10, slight lack of technique) so you'll absolutely see me shredding\* on the slopes (come tour, BOTH).

## why me I hear you asking yourselves?

- I am a committed Snow member, who LOVES (yes loves) the club!!!
- I'm a friendly face, who is happy to talk to anyone at any time (especially on floor 5 of the library, it's not my fault you guys do real degrees)
- I will organize the best socials! Fun, themed bar crawls, amazing circles and circle themes, THE LOT!
- As someone who didn't join snow until week 6, I understand that it can be quite a daunting experience joining a big club like Snow (that was me once guys, I know, crazy right?), so I will ensure that new members ALWAYS have someone (who is really awesome, cool and has great fashion sense) to talk to at socials
- I have cool hair (yes, that is genuinely one of my points and no, I feel no shame in listing it as one)
- I do literally come to almost every social, so there will be no worries about my attendance to socials such as Circle and T-bar Tues. (Can't say the same about Access tho, soz Prij, NOT, hehehe, see im funny too, vote for me)
- I will absolutely encourage (and convince) new Fresh to join Snow and come to weekly socials, such as circle (and POP:/), in addition to bigger events such as BUDS and tour (BOTH).
- I can't wait for next years' tours, as social sec I would make the best Tour Bible (ever) and organize the loosest socials (of all time)! (you can claim me on both those statements, i bet you it'll result in 0 eyebrow slits)
- If you need someone to talk to about anything (positive or negative), I'm a great listener! <3

Fun photo of me waiting for the bus to AfterJam wearing my Wozza Snow boonie (buy merch, come afterjam). Some unspeakable things were done at the back of that bus. As social sec I will make sure we do events such as AfterJam and BUDS even bigger than this year!

Me thoroughly enjoying the Warwick Snow après takeover on tour (again, come tour). If you vote me as social sec, you can be SURE that there will be LOADS of house parties and socials where you get to listen to your favourite Warwick Snow DJs mix some fat drums. (MESOPOLONICA)

(pls vote for me, PLS)

Wow Alex your hair is so cool. - An anonymous snow member. (no, it's not me)

Voting for me results in the club becoming even MORE loose!

A photo of me at a great surf social! (ur welcome romz) As a social sec, I will make sure to maintain the close bond between the two clubs, I'll do this by coordinating more joint socials!!

BANTER NOT VICTORY (and amazing socials, vote alex.)

Me and the boyz (not literal boyz) at anything but clothes circle! Circles are a key aspect in the role of a social sec. As social sec, I would run the rowdiest of circles\*(apparently i'm very loud, ask people), while also looking awesome with cool and exciting circle themes! (i am an excellent zumi zumi player btw) \*claim me on it, I DARE you.

If you vote for me I'll buy you a Vialli's! (gonna have to disclaim soz guys!)
