

Lewis for Vice Prez

Me, clinging on to the club

As VP I promise to keep Hugo (and the rest of you sneeps) this happy.

My aims: why vote me?

- Utilise my experience in organising events and previous ball to organise the steeziest SNOW ball eva.
- Facilitate communication between committee members through regular updates of socials/competitions/events.
- Help to continue to grow the club by being friendly and approachable (despite the dodgy aesthetic).

- Age = Wisdom. I have a lot of age.
- Pashun = Pashun and I love this club, its values and its traditions. I would love to continue to share both Warwick Snow and Snowsports culture with everyone for another year.
- Familiar face at socials, been involved in snow for over 2 years now, have a good understanding of the club and how it runs as a member and committee member.
