AND THE BEST YOU EVER HAD
(after Leon and Freya obv)

BEST CAPITAIN!!

Kelsey'sssss

About me ;)

- . First year PAIS and GSD (I know it's sounds like a password)
- . I've been in snow since day one: BUDS, XMAS Tour, AJAM, kings, etc. (and skied at all of them)
- . I've skied since I was 3 (see the drip above) #2good2betrue
- . I compete at nationals (finish third, 3 times, next one 30th March, pray for me!) and internationals (don't think Olympics, think lower)

(if you're more interested here's my number ;) +33769008071)

Aims

- . Get more people to compete at BUDS and AJAM, racing or freestyle (with lots of freshers because we're the best)
- . Make kings even bigger with more people racing and more people getting pissed on the side ofc
- . Have more snowboarders competing in freestyle
- . Organize a race (make it huge???) within Warwick during tour (with prizes??)
- . Find more drivers for freestyle to make it even bigger and more often

Why vote for me ?

- . I'm loyal to snow (some say a bit too much... I say it's never too much!!) #snowlove
- . Never miss T-BAR (I might go a bit too often, sometimes everyday of the week...)
- . Snow ball 2024's best skier award holder (best suited for captain?)
- . Can drink my size in cider (see pic above, I know I don't need that many ...) #undiagnosed_dwarf
- . I'm officially a ski instructor for ESF (can't teach yet tho, don't ask questions...)
