

OLLIE FOR SOCIAL!!!

Figure 1: Me competing at X games in 2008.

ABOUT ME:

- For those who don't know me my name's Ollie Dunne a.k.a. GodofGuinness a.k.a. OCD and I'm a first year Econ student from Manchester.
- Learnt to ski before I could walk, sent my first double cork 1080 at 4 years old. (see Figure 1)
- Having worked in bars since I was 15 (in case I haven't told you yet), I'm extremely qualified in shit chat, excessive drinking, and entertaining the inebriated.
- Best cuddler WarwickSnow has seen to date (cuddle conversion rate: 0%, minutes played: 2 nights)

Figure 2: Friendly face

Me at BUDS! One of the highlights of the year for me and was a great opportunity to get to know the exec. During my tenure as social, I strive to make BUDS as loose as physically possible!

MY AIMS:

- Organise and run the biggest and loosest socials the society has ever seen!
- Maintain and organise huge collaborations with WarwickBass and possibly spin the odd deck or two (big things coming soon...)
- Be super inclusive and get as many freshers involved as possible
- I'm a great listener! If anybody has any issues regarding anything, I want to be a person that they can count on to talk to.
- Have my blood turn purple by the end of the year
- Ensure everybody has an amazing tour and make it the biggest selling one yet. I will personally find every single fresher and persuade them to buy a ticket (going to have to disclaim unfortunately).

WHY YOU SHOULD ALL VOTE FOR ME!:

- Lost my snow virginity at toga circle and been a dedicated member of the club ever since (actual virginity still heavily intact).
- I have literally come to almost every snow event this year, and I can't wait to make the socials even bigger and better than before. (go on claim me, I guarantee my eyebrows shall remain perfectly whole).
- Dangerous is an understatement for the pure quantities of purple that enter my bloodstream during a circle.
- Upheld the sacred covenant of every bosh kindly bestowed upon myself, and plan to maintain such divine principles during my time in office.
- I'm a friendly face (see Figure 2) and social person, as a fresher myself I know it can be daunting to find a society where you feel comfortable. The current socials have done a great job making me and the other freshers feel included, and I want to continue to make snow an inclusive society where everyone feels accepted. I understand fresher intake is vital to the continuation of the club, and as social I'd make it a priority to get new people active and involved in Kings and other major snow events.
- I will run the loosest circles that the club has seen (claim me I dare you), I'm not afraid to make a tit of myself for a good time and plan to embarrass myself as much as physically possible throughout my snow career.
- I promise to be the absolute littest at après, I have already been known to test the structural integrity of any table in sight. (see figures 3 & 4)

Figure 4: Spreading the gospel of snow to alpe d'huez

Me at Afterjam! Was a tad sleepy (literally drove back from Manchester after finishing a 9-hour shift at 2 am so I could give Penelope a smooch at 10, so worth it), but nothing a little joss (or 6) can't fix AMIRITE!!!

"Wow Ollie is such a nice guy and I bet he would make an amazing social sec. You should all vote for him!" – Harry Pemberton
