

# JP for VP

*The name's halfway there*

I'll keep my manifesto short and sweet, just like me ;)

## Why me?

- Organised and a good team member; I have the communication skills to keep the exec running smoothly.
- Invested a lot of my own time and money into Snow (e.g. emergency Tamlands Transport) – I'm dedicated to the club
- Been BUDS, Val D, AfterJam and soon SESHTRIEREEEE – again, dedicated

## Fresher Rep:

As Fresher Rep I've:

- Recruited many of them fresh whom we clearly love dearly xxx
- Been a keen & friendly boi

Skills which will carry over to a Vice Presidency!

## Aims:

- Utilise my communication skills to be the glue that keeps each exec member informed of what the others are doing. Then collate all the news/info to keep our members in the know.
- Ensure transport for Tamlands freestyle seshes, one way or another.
- Charity liaison and organising fundraisers – keeping our members informed of charity related news and progress.
  - This winter especially, is evidence for the importance of Protect Our Winters!
- Two Seasons Ball – organised as early as possible and as much as a blast as this year, do I hear more inclusive **booze?!?**

*Doesn't it just seem to fit? ;P*
