PROFESSIONAL PENELOPE LOVER

First Name/Last Name
Jacqueline Haas a.k.a The Queen of the Family Selfie

About Me

 First year English literature student (I'll have loads of time on my hands!)

 I am in love with Penelope... (yes we have sleepovers)

 I've been skiing since I was 2 (just don't have any actual photo evidence ;)

 I joined snow properly for Christmas tour (definitely too late, missed out on a loose BUDS tour)

 Landed a triple backflip at AFTERJAM (disclaim)

 Made it onto the WS Ball Post with Penelope!!

Aims if I get elected:

Start a weekly newsletter containing that week's highlights.

Collaborate closely with the Captains to promote ski events like Freestyle!

I aim to work with the President to create fund raising ideas and advertise them effectively on all social media platforms.

I promise to get to know everyone's good side.

Why Vote for Me?

Always up to take a little WS promo pic!!

A friendly face I hope any new member will feel comfortable talking to.

I have mastered the art of a family selfie (and Warwick Snow has become my family away from home)

I made it onto the AFTERJAM Instagram (Claim)
