

"Fosters, get Naked"
- Probably zac frost

FOSTERS 4 social SEC

A main part of warwick snow is skiing and with skiing comes TOOOOUUUURRRR!! As a man who has never stepped foot in a pair of ski boots I promise that I will:

- make an absolute fool of myself on the slopes and
- ensure that absolute chaos and looseness reign both at xmas and easter tour (im actually going to go unlike some social secs...)

Fresher of the Year 2023

As a man who "enjoys the sound of his own voice" (Anonymous warwick snow warrior) you already know next year's circles will be the rowdiest of all time (probably), full of old games and new (chairy chairy swappy swappy)?????

Having only gone to a few circles, I decided to make the treacherous adventure to **SCOTLAND** with my fellow warwick snow warriors and let me tell you that it was the best decision of my life (may have slightly overdone it on the first night soz guys). As **SOCIAL SEC** I will ENSURE that BUDS remains the loosest weekend of the year with a fantastic BUDS BIBLE to match (maybe don't follow the drinking schedule this time eh)

Do I have lectures 5-7pm every Tuesday? Yes.
Have I missed a T-Bar Tuesday yet?? No.
Will I ever land a coin in touch cup??? Probably not.

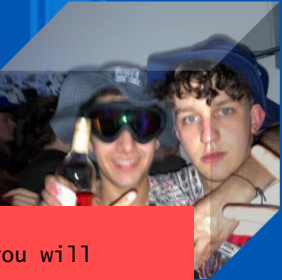

I loved afterjam!!! (I remember little to nothing of it).
As social sec I will make sure to remember more of afterjam next year.

I pride myself as an approachable person (that is when im not naked) and as social sec I will ensure that all new members feel welcome at warwick snow and encourage them to come to as many socials as humanly possible!!

Fig 3. Me thoroughly enjoying myself at POP!

VOTE FOR ME!!!!

POP!¹ noun

- unequivocally the worst "club" you will ever go to in your life
- home of the midlands finest "Disco Dave" (fully grown man in a wig making 18 year old boys take their tops off)
- The BEST night out in warwickshire (disclaim) I may have mixed feelings about POP! but YOU BEST BELIEVE I will be holding the fort to maintain warwick snow's front left pillar dominance!!!

VOTE FOR MEEEE!!!!

Idk about you guys but I LOVE music (namely garage) and am a proud disk jockey (DeeJay). As sociosec I promise to maintain the longheld??? love affair with warwick bass and organise even more ballistic Snow X Bass nights (did someone say garage??)

Fig 1. Fosters holding Fosters with evil grin

Circling is a key part of any warwick sport society and warwick snow is renowned for its well loose circles (just like my anal sphincters???) As SOCIAL SECCC I promise to run the most HEINOUS circles you have ever witnessed (don't even think about claiming) and will ensure that wazza snow's reputation is upheld as "No.1 Social Society" (sports society my ass).

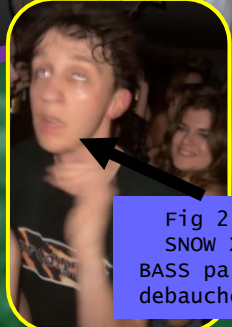

Fig 2. SNOW X BASS party debauchery

VOTE FOSTERS FOR SOCIAL (OR DON'T THE CHOICE IS URS)
