

# JP for Charities & Welfare

Hoping to have a normal year and actually do stuff.

## Why me?

- Experienced all the aspects of Snow: BUDS, Tour, AfterJam, Training, Two Seasons Ball...
- Friendly, understanding and caring.
- Organised and have good communication skills.

## Aims:

- Continue to support fellow exec members in the organisation and carrying out of events.
- Increase the amount of charities we support; such as for mental health, gender equality and racism – particularly after the events of the past year.
- Ensure the club is inclusive for all people; race, gender, sexuality etc.
- Incorporate fundraising and awareness in our various events and activities.
- Be a friendly and familiar face if anyone wants someone to talk to, snow related or not 😊
- Two Seasons Ball – it's gotta make up for this year and it's gonna be *magnificent*.
