ABOUT ME

(3years experience lads hairy)

I'm a first year engineering student (I remember my first first year) (shut up I'm not 21) that just loves a bit of Snow, I mean I just can't bloody get enough man!!! I'm sure there's a word that begins with an M that would describe this perfectly.. Anywho, I'm Eve from Sunderland and oh boy would I love to be ur social this year!! U may have seen me at Circle, Buds, Tour, AJAM, ur nans bed, ur partners bed... everyone's bed really. Who better than ur fresher rep to deliver next years socials in the most lit, heinous, loose way possible am I right🤔🤔🤔🤔(vote me)

MOREISH

WOW GUYS, look at these epic pics of me on TOUR, BUDS and AJAM!!! As a social next year I will harass every fresh et al (disclaim, harassment is bad, but also claim) to come to every single trip, social, t-bar Tuesday etc u get the pic. Cos what's snow if it's not bloody huuuuue (like ur dads nose)

AIMS

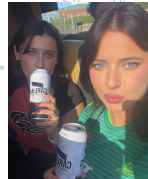

- Make sure circle carries its chaos into 24/25 with too much energy,vibes,looks,charm I mean the list just keeps going guys (Mackem v Georgie is coming and there's nowt u can do), maybe even be as scary as the socials were to me in first year (#SoScaredIshatmyself)
- 100% social attendance, carry on Tbar Tuesdays glory with some epic posts (I mean if you've seen some of the shite I put on the snow insta story you know ur in for a treat)
- Help Tour sec in delivering a respectable and sensible Tour, I mean that's our rep as a club isn't it...(that's a bloody joke it's gonna be carnage guys, loose french socials, sm passion, ur brows? Where are they?, banter? Oh boy is there plenty to go round)
- Push beginner lessons for Tour <3
- Be the most welcoming club ever! Up that fresher attendance and make sure all years of students know they are always welcome in this cute lil snow family🥰
- Consistant Bar Crawls, Summer bottomless brunch, Huge pres, Huge afters, huge tits(em), kings, slalom, have I missed anything, freestyle,,,,,you name it,sorted

Here's me at toolbox, oh boy do I love that place, If u make me social I'll make sure to push all toolbox events, as well as keep that SNOW X BASS bond super strong, we love u bass we do...

Get your bingo tickets at the front x

No secret I like a bev every now and again, but as ur social I would treat welfare with the utmost importance, and will make sure everyone especially the freshers know they can talk to me about absolutely anything!!

I've literally lost my brows and got a tattoo just 4 SNOW

It would be such an honour to be ur social sec next year. So I would put my all into making sure everyone has the most MOREISH year everrrrrr! I love this club, I love all of u, I love 🍷
Pls vote me, Cumdog xxx

FUN + SAFETY

TO NOT SKI OR TO DEFINITELY NOT SKI ... that is the Question...
