Why Me:

- Committed and loyal Snow Member
-Literally never missed a circle
- Friendly face for freshers, happy to answer questions on socials - I was guilty of sending them hehe

-Fully equipped with a 📸
-Love taking pictures. Especially the socials snow has to offer as they are always the LITTEST!
-Creative and always embarrassing myself- just making everyone feel better about themselves - you're all welcome

Who am I:

- Clem/ClemmieBouffer
- 1st Yr History of Art- literally have a degree in pictures- lol
- Skied since I was 3- such a shame i'm still not great
- Someone who loves a boogie and getting lit at every social
- Joined snow literally the second I was on campus- it seemed that lit
-Chronic BeRealer #itsadisease

Aims:

- Promote all socials so they can be even bigger and better next year.
- Keep up our immense reputation as best club on campus
- Get a cool sponsor (ideally more than one…)
-Spread the word about snow and recruit as many freshers as I can. Gotta keep up the amazing vibes.
-Capture as many cracking pictures as I can.
- Always be at Socials to capture the best bits
-Make Buds and Tour (every social) turnout bigger by some cracking posts and reminders

Highlight of the Year:
BUDS, scrumptious weekend. Fav moment … Freya finding me passed out in the loos.
