

# VOTE LEO FOR SOCIAL SEC

'Leo's reign would be snowy terrain'

## Who am I?

I'm a first-year classics student looking to become the next emperor of snow. Think Caesar 2.0. Maybe Nero. Big on skiing, been hitting the Folie Douce since before you could walk.

## Experience

- Nish
- Vandalism
- Debauchery
- Depravity
- Immodesty
- Turpitude

## Why me?

- The fieriest option on the menu
- The meanest mullet that will be making a swift reappearance
- Flawless 10/10 track record, present at every circle and T bar Tuesday ever absolutely and totally.
- Absolute menace on the slopes, steer clear.
