About moi

I learnt to ski 3 years ago on a Uni trip – I know what it is like being the ski noob of the group

Ski and sesh is a way of LIFE – I live for a good après

I'm a Resort Rep for Wasteman WastelandSki Team – I know exactly what to expect from NUCO

I've experienced what happens behind the scenes of tour organisations, I'll be great at debating with NUCO as I know where they try to cut corners!!!

I've been on a total of three Uni tours and have gained fab ideas from them

I've started to learn to snowboard in the last year

Ideas for tour

- Day time non-ski activity options:
 - Yoga
 - Ice-skating
 - Tobogganing
 - Cinema trips
 - Snow shoeing
- Evening pool party
- Park jam session – WarwickSnow takes over the resort freestyle park for beers and BBQ!
- Valley Rally – 'Competitive' team race with mini challenges on the slope
- Secret party – raffle for tickets to an exclusive secret party

As Tour Sec I will...

- Make sure I'm present at lessons, socials and freestyle/slalom sessions so people know who I am and can easily ask questions about tour
- **BEG NUCO FOR MORE TOUR SPACES** – we sold out in minutes this year!!
- Create a system to help new members meet others before tour.
- Promote Tour as much as possible prior to ticket release:
 - Instagram competitions
 - Engagement in Warwick fresher groups
 - Flyers and posters on campus
 - **TOUR LAUNCH PARTY!**
- Survey current member's opinions on resorts and activities so we can engage with members and create the ideal tour
- Post Tour video – works well for promotion of future tours!
