

# Ben for Captain!

Was part of the English Schools Ski Squad!!!

## Who am I?

- First year engineer
- Have been skiing for as long as I can remember
- Have competed for the last 5 years so know how that all works

## Why should I be captain?

- Snow has been one of the only things that has actually been good about this year and I would love to be more involved when everything opens up
- I will be able to work with the other captain to get the best out of both of our talents
- I am very committed to the club - I have been to as many events as possible this year

## What will I do?

- Communication is key - I will make sure the other captain and I will be on the same page
- Able to make sure all of the races are properly organised and run smoothly, with extra support for newcomers
- Want to get everyone involved with racing: training for beginners and snowboarders
- Organise race kit with the Merch Sec (**as a priority**)
- Keep up the freestyle sessions as they are very popular
