## Why me?

- Skied 1st team BUCS (...), Kings, BUDS, would've skied AJAM, Tamworth etc etc.
- Friendly face, approachable, not inclined to force feed people pints #warwickvalues
- Very organised and (as I study history) plenty of time to plan Kings and the littest BUDS yet!!!
- Been known to get loose.
- Can work well and communicate with the other candidates running for exec.

## My Aims

- Increase the number of KINGS training sessions and beginners sessions (funds permitting).
- Fortnightly Freestyle sessions (even if funds don't permit).
- Learn to drive to facilitate the previous two.
- Liase with the media sec to capture high quality footage at training, freestyle and on tour - we can make some seriously cool promotional videos!!
- Create a Warwick Snow Five-A-Side team.
- Plan a catastrophically lit BUDS.
