

JAMES FOR CAPTAIN

Who am I?

I'm a first year Engineering student

I'm a regular participant at racing competitions, circles and T-Bar Tuesdays

I'm very organised and reliable

Why am I running?

I have been a part of Snow from the very start of my first term, been a highlight of my year. I would like to be more involved in the club and make a positive contribution

I'm dedicated to Snow, as it's the only club I belong to, which means I can focus more time organising events

What will I do as captain?

I will arrange more race trainings and freestyle events throughout the year, aiming for alternate weeks whilst ensuring that a minibus is rented with an guaranteed driver

I will encourage more skiers and snowboarders to try slalom with events dedicated to members who have never tried racing (we need more competitors for KINGS, can we get a 3rd team???)

I will investigate the possibility of doing indoor slalom events on real snow rather than dendex (as I'm not really into the skin being ripped off bit!)

I will develop a good relationship with Tamlands and Ackers, to make sure events run smoothly
