2nd year management student *insert wbs banter*. Big fan of Warwick Snow. I can't down a pint but I can take pictures.

All started on October 6h 2022, the day I attended my first toga circle. Since that day I have not stopped smashing (sipping) pints and chit chatting, and have experienced some of my best moments, in both first and second year, with my lovely friends from snow.

I love skiing and have been doing it since I can remember.

I have been the media secretary for Warwick Bass this past year. Loved creating content and learnt a lot through this. See @warwickbasssociety.

At the end of the year, I would love to make a scrapbook to put togther all our favourite memories throughout 24/25<3
