## Ideas for Tour

- Opportunities for non-ski activities such as ice-skating or sledding
- Races and scavenger hunts potentially against other unis
- A variety of evening activities along with Après including potentially a pool party and/or bowling

## Why you should vote for me

- I will run Instagram polls and surveys to engage with members on what resorts and activities they are interested in- let's make tour as amazing as possible!!
- I will try to promote tour to as many people as possible by trying to catch a wider audience through different types of promotion including:
  - - Videos
  - - Instagram and Facebook Posts
  - - Freshers Pages
  - - Promoting tour around campus and accommodations
- Hold a variety of socials for people to meet other tour goers before room allocations go live
- Hold a pre-tour party to get everyone hyped!!
- I'm approachable so I hope to make people feel comfortable with asking me questions
- I will place an emphasis on getting beginners involved in the club by encouraging them to come on tour and participate in socials- Snow is for everyone!
