## Why me you may be asking?

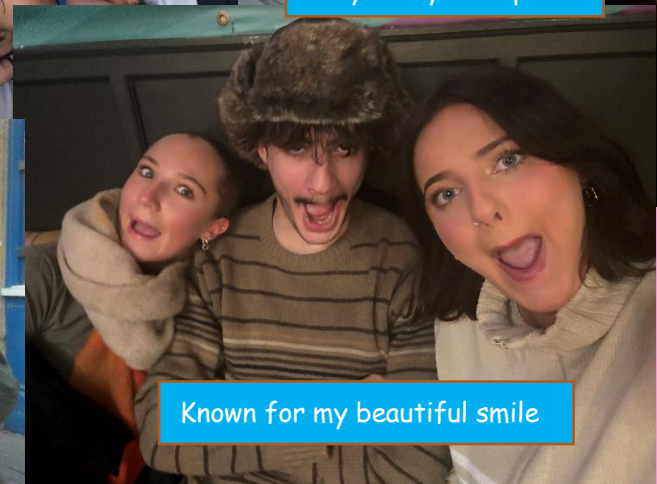

- I've been on exec for a year now in a demanding role, so I know how to manage my time between my degree and snow (snow comes first obviously)
- Single handedly produced this year's beautiful T-Bar posts (I don't have a drinking problem. I have no problem with drinking at all.)
- I have great communication skills (just ask Jai's mum she knows about them all too well 😊)
- Proficient in drinking and even more proficient in banter
- Regular afters attendee, less regular afters departee
- Slushee is quickly becoming a global sensation surely you want the better looking half on your future exec
- My dedication is through the roof, who else do you think would lose an eyebrow and get multiple tattoos for the club
- With all the exec graduating (fresher rep isn't a real role) its useful to have someone on exec with experience
- Finally, I am Zac Frost

Post shag handshake.
